**FROM OUR PASTOR**

*Good Morning Dear Friends,  
As you see by now, Sheri and I are not here this morning. A couple of months ago we were given a leaf-looking vacation in Asheville, North Carolina, but you understand what happened there. Oh well, maybe next year we will be able to see the leaves turn. So, we are taking a little closer trip to the other side of the state for a couple of days. Bro. Mike Peluyera will be preaching this morning. He will be continuing our series, and will be preaching, "Are You Willing To Pray?" Then, tonight Bro Ray Gonzales will be preaching, and we will be having corndogs. Afterwards, we will be having, "The Great Landmark Baptist Church Pumpkin Toss." It will be held out back. We will need 1-adult and 1-child to form each of the teams. I believe this will be a lot of fun, just maybe a little messy. I know things are still a little crazy with power outages, internet down and limbs all over the place. Now more than ever we need to practice our Christian virtues; be kind and patient with others, allow the precious Holy Spirit to control you. God Bless You, Pastor Steve*

## LBC Seekers (Insights for our Teenagers)

### FROM OUR YOUTH PASTOR

The last two weeks have been a roller coaster. Every single one of us has probably dealt with power loss, home damage, flooding, vehicle damage, and many other possibilities from Hurricane Milton or Helene. As I sit here and write this, we have gone six days without power at our house. Our house received minor damage from the wind. God truly blessed us during this time in many ways. There is one thing that occurred that I enjoyed more than anything. If you lost power, you know how hard it was to fall asleep at night without air conditioning. Most nights, I was up late until it was cool enough to fall asleep. One night, I went out after 10:30 pm to find gas for the generator so that I would not have to wait in the long lines. In turn, I woke up later than normal because of it. Most of the time, one of the boys would wake us up first. After I got up, I would help whichever boy woke us up, and then we would make coffee. Afterward, I would tell the boys that I had to sit down and read my Bible. On two occasions, Eli was the one who was awake. As I sat down, Eli came and sat down near me. He asked if I could read aloud so that he could follow along. I said YES! As I started reading, he stopped me and asked if he could read too. Of course, I allowed him. There was so much pride that welled up inside of me as I listened to him read the Word of God. In all the chaos that could have taken place in our lives during the storms, God is always at work. Eli's interest in reading the Bible grew! As Christians, we need to make sure that we are focused on the spiritual things and not earthly things. In every storm or crisis in our lives, God is doing something. We just need to be looking for it. I could have focused on the loss of power in our home and pushed aside my personal devotion time with God, but if I had done that, I would not have had those moments with Eli. So, I ask you, "What did God do in your life during this storm?"

## Mighty Marks (Insights for our Juniors)

Praise the Lord for keeping us all safe through the storm! Since we missed last week's Mighty Marks, tonight we'll talk about the veil, and the importance of God's holiness. The verse is 1 Peter 1:15-16. The Glimmers can just say verse 16. The pumpkin carving contest is next week, 10/27, and our last store night is the week after, 11/3. We will have double dollar night that night so you can earn as much as you can to spend in the store. See you tonight!

## COFFEE CUP CLASSES

"We all face burdens and trials in the path laid before us. Often, relief comes from a kind word, a listening ear, and helpful encouragement from a caring and godly friend. Coffee Cup Counseling will equip you to be the friend who comes alongside those who are hurting.

One of the classes you might choose to attend is **Coffee Cup Counseling**. This six-week, Bible elective, Sunday School class will provide you with the TOOLS and SKILLS necessary to help people who are hurting. Brother Mike Frazier is a **Board-Certified Master Mental Health Coach** and is teaching the class. The dates for this unique opportunity will be announced within the next few weeks.
