FROM OUR PASTOR

Good Morning Friends,
Well, congratulations! You survived the lost hour of sleep. If you're sitting here in church yawning, staring blankly at the bulletin, and wondering why your coffee hasn't kicked in yet—don't worry, you're not alone! Time change Sunday is that special day when alarm clocks feel like our worst enemies, and even the "holiest" among us consider skipping Sunday School just for an extra snooze. But here's the good news: **God never loses strength!** While we may feel groggy, He is always alert, always present, and always ready to help us through the day. Psalm 73:26 reminds us that even when our **flesh and heart fail**—whether from exhaustion, discouragement, or just missing that extra cup of coffee—**God is our strength.** So, as we "spring forward" today, let's do more than just adjust our clocks. Let's **adjust our focus**—leaning on God's power instead of our own. Even when we feel weak, He is strong, and He will carry us through. And hey, take comfort in this: at least tonight, you'll sleep like an ole houn-dog! ~ Pastor Steve Romans 5:8

FROM OUR YOUTH PASTOR

I have been reading through the Book of Revelation lately, and I am beginning to understand more each time I go through it. I did not hear most of Pastor's series through Revelation on Sunday nights because I would take the kids out after the object lesson. Pastor may have already mentioned this. One great blessing about the events that transpire in most of the book does not effect us. In Revelation 14:19-20, we get a small glimpse of what transpires at the end of the Battle of Armageddon, ¹⁹And the angel thrust in his sickle into the earth, and gathered the vine of the earth, and cast it into the great winepress of the wrath of God. ²⁰And the winepress was trodden without the city, and blood came out of the winepress, even unto the horse bridles, by the space of a thousand and 1,600 furlongs." This verse tells us how far the blood of those who die will stretch. One furlong is roughly 660 ft. If you multiply that by 600, you get a length of 1,056,000 ft. Divide that number by 5,280 to get the mileage. You will end up with 200 miles! To put this into perspective, the Florida Georgia state line is 216 miles north of us down I75! That takes about three hours to drive. That is a lot of blood! Now, there is more to it. The verses tell us that the blood will reach up to the horses bridle in depth, so that means it could be as deep as 4.5 feet. That is even more astonishing! There will be a lot of people who will perish before Jesus Christ because of their rebellious hearts. Many horses will die along with them. What a blessing it is to the saints who will be with Christ when He conquers His enemies! That will be you and me! It makes me think of that song, "Once I drifted out in sin, had no hope nor joy within, / And my soul was burdened down with pride; / Then my Savior came along and he showed me I was wrong and / Now I know I'm on the winning side / I'm on the winning side, yes I'm on the winning side, / Out in sin no more will I abide, / I've enlisted in the fight or the cause of truth and right / Praise the Lord- I'm on the winning side."

Mighty Marks (Insights for our Juniors)

We had a great store night last week. Tonight our verse is Psalm 37:4, and our lesson is about needing God for contentment. Please bring your Bibles for sword drills, and come ready to say your verse. Remember to be sending in your devotions weekly. We hope you all enjoyed the Mighty Marks photo album on Google photos. Please let us know if you didn't get the link. Hopefully we'll have our new uniforms soon. Tonight is tacos in a bag after church.

VISITING FRIENDS

We want to welcome you. We are so glad that you have joined with us in the services this morning. You are very special to us. We pray that you will be challenged through the message. Please enjoy the singing and the fellowship. We have a special gift for you at our "Welcome Center." Please stop by to meet with us after church.

God's Plan of Salvation...What does it mean to be "saved"? Maybe you have wondered what the phrase "born again means." The Bible teaches that salvation is a personal experience that takes place when several things happen: 1) When a person comes to the realization that he is a sinner before a Holy God; 2) When he realizes that his sin will cause him to spend eternity separated from God; 3) When he realizes that God sent His only begotten Son, Jesus Christ, to be the sacrifice for sinners; and 4) When he places his faith in the finished work of the Resurrected Savior Jesus Christ and calls upon Him for Salvation.

The Bible records the prayer of a repenting sinner. It went like this: "...God be merciful to me a sinner." We would be honored to talk with you more on this glorious subject.
